REACH Compliance Announce

REACH is the Regulation for **R**egistration, **E**valuation, **A**uthorization and Restriction of **Ch**emicals. It entered into force on 1-st June 2007 to streamline and improve the former legislative framework on chemicals of the European Union (EU).

REACH Declaration Certificate

PanLink AB in Sweden and PanLink Sp. z o.o. in Poland are downstream users of substances and preparations and do not manufacture or import any substances that require registration under REACH regulation.

We hereby states that we don't add any substances of the restricted material as defined in the SVHC* list, in any amounts higher than limits stated, to our customer design and by them defined products.

PanLink AB in Sweden and PanLink Sp. z o.o. in Poland are aware of the REACH regulations, potential implications to the business and our obligations to make relevant actions to ensure that continuity of supply of products will not be adversely affected by issues arising from REACH regulations.

*) SVHC – List of Substances of Very High Concern,
which lists substances to authorization in accordance with the Article 59 (10) of the REACH Regulation http://echa.europa.eu/web/guest/candidate-list-table - last updated 04-02-2026

This statement is based on information and data provided from 3rd parties and may not have been verified through destructive testing methods or other chemical analysis.

PanLink AB in Sweden and PanLink Sp. z o.o. in Poland reserve the right to change the information stated in this document without any further notice
